One particular insurer even gives **up to 30%** in lifestyle and other discounts and we guarantee to pass on all the savings to you.

In fact, if you already have your car with Chris Knott we'll give you an **extra £10 OFF** our best home insurance deal **or £20 OFF** if your household has more than one car covered with us.

And, if you're paying for your current home cover via direct debit, you could switch to Chris Knott Home Insurance whenever you like, for little or no penalty, and start saving money straight away.
