

Insurance savings for your Mercedes through MBO's own insurance service

Mercedes-Benz Owners Insurance

was created as a dedicated service for members of MBO. As your broker, we act on your behalf, treating you as the priority and putting your interests first.

There are a number of benefits provided by MBO Insurance but the main advantage is **premium flexibility - our fully-trained experts regularly beat and override the computer rates** - in 2007, we saved clients 14.6% on average.

In addition, you'll receive a **traditional and personal service**, where you'll always be able to speak to a person - we don't use call centres or automated phone systems.

Our truly independent nature means we'll always recommend the policy most suitable to you. So, for **sound advice** and to draw on **specialist knowledge**, speak to one of our **friendly team** members.

With 25 years experience of servicing the insurance needs of car club members we recognise and meet your key requirements:

- *Highly competitive premiums*
- *Personal attention from fully-trained experts*
- *No call centres or automated phone systems*
- *Independent advice*
- *A wide choice of policies*
- *Claims assistance*
- *All the ongoing support you need*

Whenever you need advice on any aspect of your insurance portfolio, **we're just at the end of the phone.**

When it comes to claims, you're not on your own either. We provide hands-on Claims Assistance where, if there's any dispute, we can call on model-specific experts within MBO to **ensure you receive a fair settlement.** We don't think you can get that anywhere else!

You can choose not to use the insurer's own approved repairer too. So, if you prefer to use your local Mercedes-Benz bodyshop or repair centre, you can.

Whether you have a modern or classic Mercedes, call MBO Insurance when your renewal falls due.
