### Car Insurance – Why should you insure through us?

#### Car

We have 3 main categories of motor product. Cars will fall into either Classic, Everyday or Future Classic profiles and we will provide a quote based on what we consider the most appropriate category for your vehicle, its usage, age and storage.

We appreciate that as buyers you want to be sure you are getting the best insurance deal, however, many people contact us for a quote once and then don't come back to us the next year. If you just stick with your current provider, you could be missing out on a better deal with us. Typically, we can offer you exceptional discounts on your motor insurance, enabling us to beat any quotation you may receive elsewhere – obviously the specific application of a discount depends on a customer's individual needs and circumstances.

Remember – you are not paying extra by going through a broker – we do not add a 'cut' to the premium when we quote you. We are merely another distribution channel for the Insurance companies.

#### Agreed Value

For drivers with cherished newer cars (over 5 years old), we have a special Agreed Value policy that enables you to agree the value of your vehicle at inception of the policy (even without mileage restriction, garaging, etc). This is a very great benefit, since insurance companies would not normally pay out full value in the event of a total loss. This extra benefit is only available with one Insurer and costs £28.00 - definitely an upgrade that most people would value.

#### Breakdown

When you're stuck at the side of the road or in your driveway, the last thing you want is to find out that your cover doesn't stretch to that specific type of breakdown.

That's why we've tailored our Breakdown Cover to give you everything you need - the top level of cover at an exceptional saving: Home Start, Roadside Assistance (including wheel change), Roadside Repairs, Recovery, Onward Travel, Overnight Stay and European Cover.

Given that the nearest cover with the AA costs £143.00\* and doesn't include Europe, we're offering fuller cover and a better price - the above, all-inclusive cover is available to you for just - **£54.50**.

We think you'll agree this offer is almost unbeatable and too tempting to miss. Therefore, even if you already have breakdown cover **contact us now** and we'll arrange to switch your cover when your current policy comes up for renewal - with nothing to pay until then. Just call **0870 240 6737** and quote reference **CK00**. This product is administered by a separate company, on our behalf.
